

## AAMC Medloans Organizer and Calculator Instructions

We want to help you manage your debt! We understand that this can quickly get complicated, so we encourage all students to input their debt in one place. The AAMC offers a **FREE** Medloans Organizer and Calculator (MLOC) to all medical students. You only need to set up an AAMC Username and Password to access this site. If you haven't already done so, please get started at: [www.aamc.org/first](http://www.aamc.org/first).

Below are our recommended steps to get started and stay on track!

### **Step 1: Collect Your Loan History**

- Identify the types of loans that you borrowed and in what year.
  - To review the loans you have borrowed during your time at HMS, log-in to the 'My HMS Financial Aid Application' link from the HMS Financial Aid Office website: [www.hms.harvard.edu/finaid](http://www.hms.harvard.edu/finaid). Click the 'Apply for Financial Aid' link to log-in to your online financial aid application. The awards folder will contain all accepted awards you have for a given year. You may change the award year via the button at the top of the My HMS Financial Aid webpage. (Please review HMS Loan terms below for guidance.
  - Login to the National Student Loan Database System (NSLDS) to access all Federal Loans at: [www.nsls.ed.gov](http://www.nsls.ed.gov)
  - Contact your prior institution's financial aid office if you are unsure if you borrowed either an institutional loan or a private loan.
- Know what the interest rates for each loan are and which are subsidized (no interest in deferment periods) and which are unsubsidized.

### **Step 2: Enter this Loan History in the [AAMC Medloans Organizer and Calculator \(MLOC\)](#)**

- As an HMS student, you are required to update your organizers annually to ensure that you are keeping track of your debt.
- Once you have completed this exercise, you will be requested to submit this information via an online survey at:

The screenshot shows the 'Medloans® Organizer' interface. At the top right, there are buttons for 'Add', 'Import NSLD', and 'Print'. The 'Print' button is circled in red. Below the buttons, there are two tabs: 'By Academic Year' (selected) and 'By Loan Type'. The table below shows loan history for the years 2017-2018, 2016-2017, 2015-2016, and 2014-2015, each with 3 loans and a total of \$30,400.00. The 'Total Loans' row shows a total of \$121,600.00. A red arrow points from the 'Print' button to the text below.
