\*\*Year 1 students in the Global Health Delivery program are expected to spend 11 months (July-May) in Boston. The budget expenses above are based upon 11 months. Year 1 Global Health Delivery students will receive an increase to their budget for their on-site project (June). Travel expenses for this month are based upon project location and will be added to budget amount listed above. Please see On-Site Project Sheet for specific expense amounts.

\*\*\*Year 2 students in the Global Health Delivery program are expected to spend 4 months (February-May) in Boston. The budget expenses above are based upon 4 months. Year 2 Global Health Delivery students will receive an increase to their budget for their on-site project (July-January). Travel expenses for these months are based upon project location and will be added to budget amount listed above. Please see On-Site Project Sheet for specific expense amounts.

\*\*\*\*A suggested breakdown of various living expenses is indicated. This itemization is only a guideline, and students should plan a budget and economize to ensure that their actual expenses do not exceed the total allowable living expense budget.

OPTION: The federal government will permit students to borrow an unsubsidized Direct loan to purchase a computer, printer & software for school. Students interested in this option should speak with a financial aid staff member prior to the purchase. Students are limited to one such purchase during their tenure at HMS. The one-time purchase maximum is \$2,500.
