Students will receive an increase to their budget for their on-site project (July-January). Travel expenses for these months are based upon project location and will be added to the budget amount listed above. Please see On-Site Project Sheet for specific expense amounts.

\*\*OPTION: The federal government will permit students to borrow an Unsubsidized Direct loan to purchase a computer, printer & software for school. Students interested in this option should speak with a financial aid staff member prior to the purchase. Students are limited to one such purchase during their tenure at HMS. The one-time purchase maximum is \$2,500.
