## MBTA/MASCO Options

Riding the bus, subway, or commuter rail are some of the most convenient and efficient ways of commuting to the LMA. The LMA is directly served by the D and E branches of the Green Line and nine bus routes (8, 19, 39, 47, 60, 65, 66, CT2, and CT3). Commuter Rail service is available at Ruggles and Yawkey Stations. MASCO offers commuters free shuttle service from MBTA stations at Ruggles, JFK/UMASS and Yawkey. For complete MBTA and MASCO shuttle schedules and routes, please visit [www.mbta.com](http://www.mbta.com) and [www.masco.org/directions/routes](http://www.masco.org/directions/routes).

»» Most LMA institutions also provide eligible employees with generous transit subsidies to help offset the cost of monthly T Passes. Check with your employer to learn how you can obtain a subsidized T Pass.

## Transit Service Feedback

If you ride the bus, boat, subway, or commuter rail and want to offer feedback on your experience or ideas for new or improved MBTA service, visit [www.masco.org/directions/mbta-service-feedback-form](http://www.masco.org/directions/mbta-service-feedback-form). MASCO advocates for improved MBTA services to the LMA, and user feedback helps us work with the MBTA for improvements.
