Lync 2010 client – Configuration instructions

When you start up Lync 2010 you will receive a log in prompt.

- Account: enter your primary email address
- User name: med\eCommons Id
- Password: enter your password
- Save my password: Optional

You may want to save your password.

You will then get a certificate prompt for autodiscover.med.harvard.edu. Select “Always trust this server, do not show me this again” and “Connect” to login to Lync 2010.

There are no other settings that need to be changed.
