

Sunrise, Sunset

As the earth turns, illumination levels range from starlight to full daylight. How do you build a sensory system that covers such a spectrum, HMS researchers ask.

Sneak Preview

The story begins 30 years ago with idealistic HMS students who set out to save lives. Now, their work, which has transformed health care for thousands, is the focus of a new documentary.

Toward a Perfect Moment of Care

Doctors and patients are sometimes left frustrated by digital tools built with limited insight into the day-to-day realities of health care.
